“Happy New Year to the Management and Staff at Leixlip House. We just wanted to say a BIG “Thank You” to all the staff for making Karen and Andrew’s wedding celebration in November such a wonderful occasion. We were so pleased with the whole event – the friendliness of the staff, the service, the food, the presentation of the pre reception – mulled wine, scones etc and of course the atmosphere – it was exactly what Karen and Andrew wanted.

We can’t say enough about Sheila – we had looked at a couple of venues and Leixlip House was recommended by someone who had attended 2 weddings there and they said they thought that Leixlip House seemed exactly the kind of venue we were looking for. When entering the House we felt a lovely warm and friendly atmosphere. We met Sheila and because of her professionalism, her friendliness and her total belief that Leixlip House could produce what we were looking for she won us over. She was very relaxed and natural and we came out of Leixlip House confident that Sheila and the staff could produce what Karen and Andrew wanted. We didn’t look at any other venues after that. We provisionally booked it with the hope that Karen and Andrew would be happy. They were very impressed when they got to Ireland and visited Leixlip House and loved the atmosphere and thought Sheila was extremely helpful. They confirmed the booking. They both thoroughly enjoyed their day and we have to say that everything we asked Sheila to do was done for us, down to the smallest detail and we would have no hesitation in recommending Lexilip House to anyone who wanted a lovely, warm, friendly atmosphere for their wedding with great food and service to go with it.

Many thanks again to you all and every success for 2011.

Kind regards

Alan & Olive, December 2010

Some Comments from Recent Weddings

“Hello everyone,

Well we are just back from our honeymoon and this email is well overdue. I am just so pleased, grateful and thankful to all the staff at Leixlip House for helping me have the perfect wedding day. The food, atmosphere, staff and really just everything is all I (we!!) could have asked for. Sheila and Thelma thank you so much you are the most organised experienced two ladies ever! I don't know how you put up with all my pestering emails! Christian and Violette thank you so much too you were always so helpful. Every single guest complimented the food and the vast majority said it was the best wedding they were ever at, and that is all down to you guys. I suppose I can't put into words really how happy I am and we couldn't have asked for anything more. 28/12/2010 and Leixlip house will be in our hearts forever! I won't say goodbye as you will be seeing lots of us in 2011 whether its for meals, stays over but you haven't seen the last of us god love ye!
